### 3. Security Identifier

Byte Brothers will use this Security Identifier to assure that replacement keys don't fall into the wrong hands. When ordering replacement keys or processing warranty claims, this identifier will be required by Byte Brothers Customer Service for security verification.

**Security Identifier:**

(Any combination of letters or numbers - 30 characters max.)

We strongly recommend that you specify a hint that Byte Brothers, Inc. can provide you in case you lose or forget your chosen identifier. The hint should be a word or statement that will help you remember your security identifier.

**Hint:**

*Byte Brothers, Inc. assumes no liability for lost, stolen, or compromised security identifiers, passwords, or hints, or resulting loss due to such compromises. Byte Brothers, Inc. offers this service strictly as a customer convenience*
